An incredible opportunity awaits you! We have a prime land ready for construction, with excavation already done and a project in place, in a truly breathtaking location next to Cala Corb, offering you mesmerizing sea views. With a building capacity exceeding 800 square meters, this project has been designed to accommodate seven modern residences and parking spaces. Imagine the possibility of creating a high-end residential space in one of the most sought-after areas in the region. The demand for both primary and secondary residences is constantly increasing, and this particular area lacks new construction offerings. This means that your investment will hold substantial added value and tremendous growth potential. Furthermore, we have available plans for you to explore all the possibilities that this project has to offer. Do not hesitate to request further information, and you will be one step closer to turning this opportunity into a
