

Garage in Es Castell, Menorca

Ref.: 93049

Excellent opportunity to acquire a private garage in the heart of Es Castell, an area where parking is extremely limited. The garage is shared with just one other owner, and each has approximately 60 m² of private space, with room for two vehicles plus generous storage. The property is equipped with water, electricity, and a bathroom, making it ideal not only for parking but also for storage or workshop use. A rare investment in a prime central location.

Price: 55.000 €
