

Edificabili in Alayor (Town)

Rif.: 90882

Unique investment opportunity! Two adjacent building plots available for purchase, either together or separately. With a total of 2.829m², offering ample space to develop a real dream estate project. The larger plot covers an area of 1.750m², while the smaller plot an area of 1.079m². Together, they provide an ideal spot for raising a multi-family residential building in accordance to the current regulations. The strategic location of these plots offer the possibility of creating a modern and attractive residential environment. Imagine the opportunity of designing and building a residential construction that meets the community's requirements. With the possibility of including communal areas and parking lots, this project promises to be a success in the current real estate market. The demand for quality housing is continually increasing, and these plots provide the opportunity to be part of this thriving industry. Furthermore, the privileged
